HOMEFIRE SERIES
Built-in Flush Mount Electric Fireplaces

The HomeFire 36” flush mount electric fireplace has the versatility of a contemporary glass or traditional authentic LED log set that looks extremely realistic whether it’s on or off. This handsomely styled electric fireplace will make you proud to show friends and is available with an optional choice of 2 matchless real wood cabinets. The larger 42” & 60” sizes have exceptional viewing areas making these models one of a kind in the marketplace. The versatility of a single model can tailor to the room decor by a contemporary glass or traditional log appearance. The design of these models is built to gas fireplace specifications and provides a perfect substitute for such applications while providing supplemental heat up to 450 square feet.

## Technical Specs

### REMOTE CONTROL

Directly below the flame on the right hand side you will find a series of touch controls. The 3 icons (in order) operate the power, heat (on/off) and light intensity. All touch controls fade to black after 4 seconds.

### TOUCH SCREEN TECHNOLOGY

- **REMOTE CONTROL**:
  - Separate controls for on/off variable heat and variable flame.
