SPECTRUM SERIES
Electric Fireplace Built-in Flush Mount
Modern Flames Spectrum Series Built-In Flush Mount Electric Fireplace brings the flame versatility and size options to the conventional electric fireplace. Our award winning flame appearance now features 12 different flame color combinations to choose from. A gray back screen allows the colors to shimmer and shine, dancing off multicolor glacier diamond glass, creating a crisp, clean flame and contemporary look. The Spectrum Series is available in 3 different box size models: 36” traditional, 50” and 74” linear. A thermostat, touch control, and remote completes this innovative series.
