Unauthorized Dealer Information

The sellers listed below are not authorized to sell Modern Flames products. Modern Flames does not recommend purchasing its products from these sellers.

Before purchasing, contact Modern Flames with questions about seller authorization, product support, or warranty eligibility. Warranty coverage is determined by the applicable written warranty. A seller's absence from our authorized directory alone does not establish that the seller is unauthorized.

Questions? Call (877) 246-9353 or email customerservice@modernflames.com.
